

MUDRA METAL WORKS is an ISO 9001:2015 CERTIFIED COMPANY. We take pleasure in introducing ourselves as one of the leading manufacturers of all precious engineered parts & components, specialized in all CNC processes and several others metal fabricated parts. Over the years, MMW has carved for itself a niche and gained foothold/stability in the market by following the practices of world-class quality standards and providing services to our valued customers. Established in the year 2000, Mudra Metal Works is one of the prominent names engaged in manufacturing, supplying and trading a supreme quality range of All Sheet Metal Components, Switch Gear Components and accessories and Door Lock Accessories and hinges. The range offered by us constitutes Cam Locks, All types of wall mounting and adjustable brackets, Turned Components, Hardware Products, Automotive components and Assembly Brackets, Bathroom Accessories, modular products, pressure die castings. Manufactured using quality tested raw material and latest techniques, our products are in sync with the standards of international market. A competent manpower is leading the company and reaching towards newer heights. All the professionals have equally enriched the company with their expertise in suitable domain and are determined to achieve the targets by displaying impeccable credentials. We believe in the fact that happy customers are our greatest source of learning, growth and our guiding values. The company is considered as quality oriented company by our customers which has always striven to provide best services and its commitment towards product quality and on-time delivery.

## **Why Us?**

Our company is able to get an outstanding place for ourselves in the industry with our hard work. We have a team of dedicated and knowledgeable professionals, who work in close coordination to meet the customers' demands and requirements. Our clients tell us that one of the advantage about having business with us is that we are able to adapt to the clients and product's needs. Owing to entire team's sheer hard work and efforts, the company has been able to grow rapidly to assume the leadership position in its chosen area of interest. We are catering successfully to the

needs of our customers at reasonable prices. We are committed to provide on-time delivery, flawlessly at customers' site. Our business transactions are transparent and hassle free, enhancing the customers' experience in the buying process. Empowered with well-defined infrastructure, our experience in handling bulk orders and meeting targets as per the given schedules help us in efficiently meeting customer's needs. Our infrastructure includes a full fledged Wire cut facilities , In-house tool room facilities , backed up with well-organized design and research team , and excellent Q.C in place.

## OUR SERVICES

### CNC WIRECUT SERVICES

We have in-house wire cut facilities. Excetek (EX-40) made in Taiwan. High precision work is done.

Advantages of our Wire cut:

- Can maintain up to 5 to 7micron till 70 mm Thickness.

# SHEARING MACHINE

With easy to use CNC Controlled, operator feeds the input related to the job and controller automatically adjusts the cutting angle and its blade gap

# PRESS BRAKE

We do precision sheet metal bending with servo driven hydraulic press.

Advantages of our press brake:

- Consistent in quality and high positional accuracy
- Shall bend up to 3 mm thickness
- Shall handle up to 2 meter length components

# WELDING

We handle all types of Inert gas welding and CO2 welding

# PRESS SHOP:

Here at MMW, We have 25 Press machines ranging from 10 T to 100 T.

# TOOL ROOM:

## **VISION:**

Properly planned and execution of technological advancement in manufacturing of world class steel components.

Able to comply with all applicable laws, regulations and standards.

## **Mission:**

To become leaders in supplying compact parts, customized manufacturing of sheet metals & fabricated components to our customers.

*We also provide following solutions related to sheet metal:*

- New Tool and Customized Development
- All sheet metal operations.
- Equipped with all fabrication facilities
- Weld Shop
- Surface Treatment
- Inspection Area
- Bake unit
- Store/Dispatch

# Quality and Standards:

We are an ISO: 9001-2015 certified organization.

## CERTIFICATE OF COMPLIANCE

### INTERNATIONAL CERTIFICATION SERVICES PVT. LTD.

This is to certify that the
